INVITATION

ABOUT CONFERENCE

We are delighted to announce our upcoming 7th World Congress on Food Science & Food Safety, scheduled to take place on April 27–28, 2026, in Dubai, UAE, under the theme “Advancing Food Research and Ensuring Global Food Security.” Food Science 2026 will feature comprehensive sessions on emerging trends in food science, including food microbiology, foodborne pathogen control, advancements in food safety technologies, and innovative approaches in food preservation. The conference will also highlight critical aspects of global food systems, sustainability in food production, and the role of advanced microbial and biotechnological solutions in addressing global food security challenges. Food Science 2026 aims to bring together leading researchers, industry experts, and academic professionals to present cutting-edge research, share practical insights, and discuss the integration of new technologies in food production, safety, and global nutrition.

YOUNG RESEARCH FORUM:

We are pleased to announce the Young Scientist Awards for the upcoming 7th World Congress on Food Science & Food Safety, scheduled for April 27–28, 2026, in Dubai, UAE. Food Science 2026 is centered around the theme “Advancing Food Research and Ensuring Global Food Security.” This conference, along with future editions, will continue to honor exceptional young researchers who have made noteworthy contributions to the field of food science and food safety. The Young Scientist Award serves as a significant platform for emerging scientists to gain recognition, enhance their professional growth, and showcase their innovative research. This initiative provides young researchers with a valuable opportunity to engage with global experts, exchange knowledge, and present their scientific achievements at our international conferences.

Past Event Report

Meetings International Conference successfully hosted its sixth series, the “6th World Congress on Food Science & Food Safety,” held virtually on May 19, 2025. The conference was organized under the theme “Exploring the Interrelationship of Food and Nutrition in Human Health,” and it concluded with remarkable success.

Speakers from universities and research institutions addressed and shared valuable insights. The generous response and active involvement of the organizing committee members played a pivotal role in making the conference a memorable achievement.

We also take this opportunity to extend our sincere gratitude to all the speakers, delegates, and participants for their time, contributions, and continuous support, which greatly enriched the conference and contributed to its overall success.

About Venue:

Dubai, the vibrant and cosmopolitan city where innovation meets tradition! As one of the world's fastest-growing global hubs for business, tourism, and scientific exchange, Dubai offers the perfect backdrop for the 7th World Congress on Food Science & Food Safety, scheduled for April 27–28, 2026.

Strategically located at the crossroads of Europe, Asia, and Africa, Dubai is renowned for its world-class infrastructure, exceptional hospitality, and cultural diversity. The city seamlessly blends modernity with heritage — from its iconic skyscrapers like the Burj Khalifa and luxury shopping at The Dubai Mall, to traditional souks, desert safaris, and the breathtaking Arabian Gulf coastline.

Dubai has also emerged as a center of excellence for research, innovation, and sustainable development, aligning perfectly with the conference's mission to advance global food science and safety. Its state-of-the-art convention centers, convenient international connectivity through Dubai International Airport, and a wide range of accommodation options make it an ideal venue for delegates from around the world.
