About Amsterdam

Amsterdam is the capital and most populous municipality of the Netherlands, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age. As the commercial capital of the Netherlands and one of the top financial centres in Europe, Amsterdam is considered an alpha world city by the Globalization and World Cities (GaWC) study group. The city is also the cultural capital of the Netherlands. Many large Dutch institutions have their headquarters there,and seven of the world's 500 largest companies, including Philips and ING, are based in the city.
