Invitation

Welcome to Barcelona, The city oThe city of Marvels and Science, and experience the science of food safety illuminated as never before. EuroSciCon is proud to host the 11th Edition of International Conference on Food Safety, Hygiene And Regulatory Measures, January 22-23 , 2019 in Barcelona, Spain. This year's theme is Global Forum of Innovations in Food Safety. Food Safety 2020 will provide an unprecedented opportunity for scientists and researchers of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Scientists, Researchers, and entrepreneurs in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Food Safety Conference is the perfect venue not only to dive into your particular research interests but also to expand the scope of your knowledge. Tracks are devoted to very upcoming and challenging parts of Food Safety.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant research forum in person is your active participation.
