# About Melbourne

**Venue:**

## Melbourne, Australia

Melbourne is the capital and most crowded city of the Australian condition of Victoria, and the second-most crowded city in Australia. The name "Melbourne" alludes to an urban agglomeration spreading over which includes the more extensive metropolitan region, and also being the regular name for its downtown area. The town is positioned on the massive typical cove of Port Phillip and ventures into the hinterlands towards the Dandong and Macedon mountain ranges, Morning ton Peninsula and Yarra Valley. It has a populace of 4,529,500 starting at 2015, and its occupants are called Melbournians.
