Meetings Int. offers

An unique platform for top level research and innovation

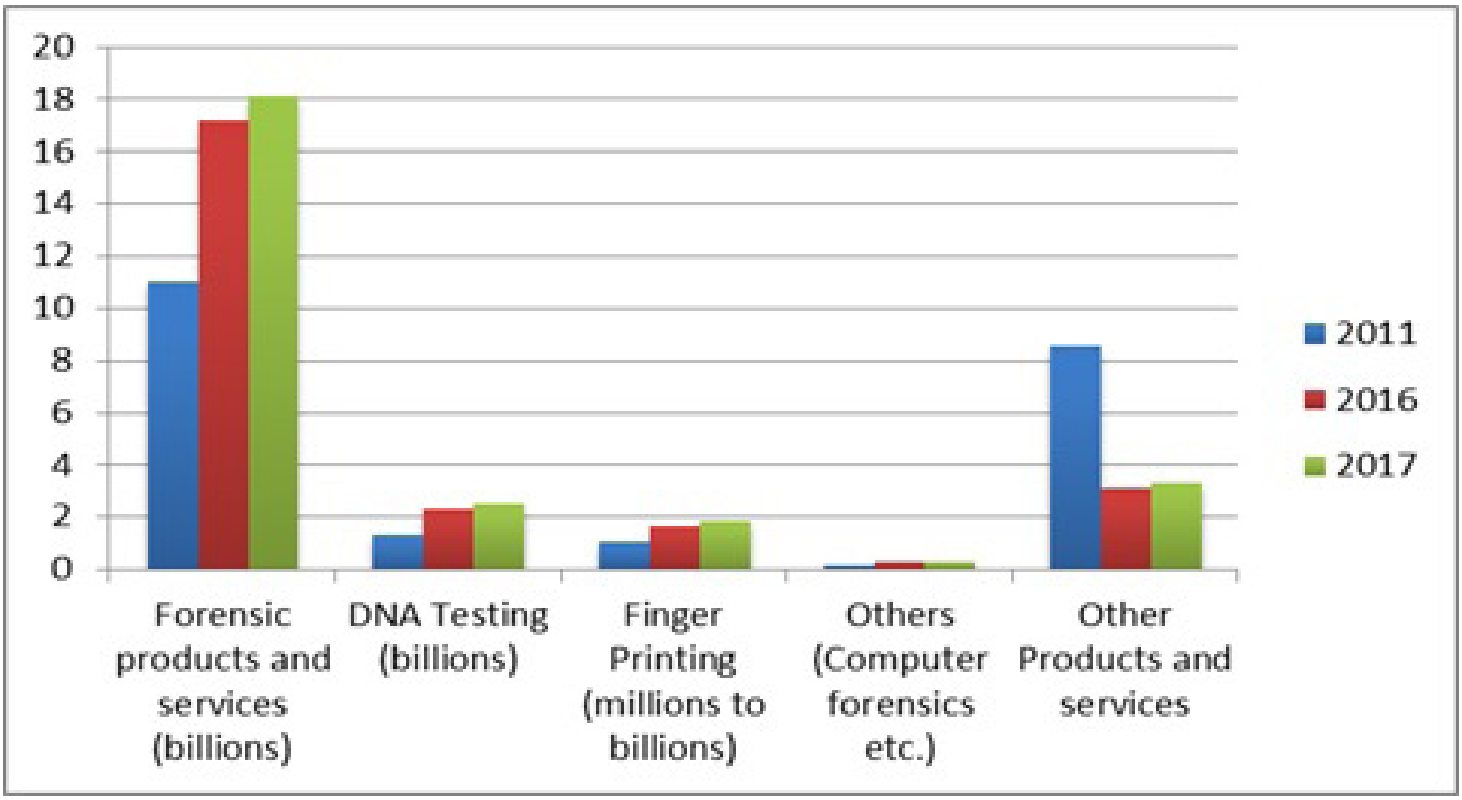

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

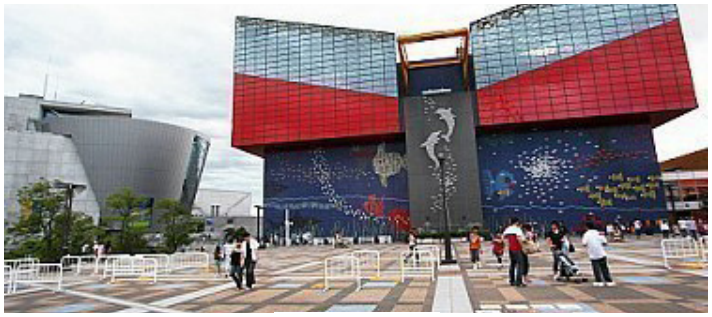

Explore **Osaka**

Osaka is located in the center of Kinki region in the Midwest Japan covers the compact prefecture land area in Japan, but boasts of largest population and highest population density second only after the capital, Tokyo. Mountains surround three sides of the prefecture and the west faces the arc-shaped Osaka Bay. In the Osaka City the Osaka Castle with a five-layer donjon as its core, on a lawn park that stretches for about 60,000 square meters. During the cherry blossom season in the spring, this park is especially crowded with hanami (cherry blossom viewing) crowd. In contrast to Kita with Umeda as its core, Minami is an area with core cities Namba, a popular business, shopping place and Dotonbori with many restaurants on both sides of Dotonbori-gawa River.
