EuroSciCon

Gastro Education

2020

Invitation

Welcome to London, the largest capital city of England, the most important global city in European region, and experience the science of Gastro Education illuminated as never before. EuroSciCon is proud to host the 16th International Conference on Gastro Education, June 15-16, 2020 in London, UK. This year's theme is "Recent Advancement in Gastroenterology and Hepatology Disease". Gastro Education 2020 will provide an unprecedented opportunity for Gastroenterologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Gastroenterology practitioners and researchers, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Gastro Education Conference is the perfect venue not only to dive into your particular Gastroenterology interests but also to expand the scope of your knowledge. 21 tracks are devoted to subjects such as Recent advances in Gastroenterology, Gastrointestinal Immunology, Gastrointestinal Surgery, Gastrointestinal Disorders and Symptoms, Inherited Liver Diseases, Liver and Biliary, Acid Related Diseases, Hepato- Radiology , Liver Injury and Immune Responses , Recent Advances in Gastroenterology, Hepato-Nephrology and Pathology, Pancreatic Diseases, Obesity and Bariatric Surgery, Gastrointestinal Radiology ,Gastrointestinal Bleeding, Liver Transplantation and surgery, Pediatric Gastrointestinal Cancer, Neuro Gastroenterology, Gastrointestinal Endoscopy, Gastroenterological Transplantation, Gastro Oncology. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Gastro Education forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Gastroenterologists and Gastro Scientists accessing the website, Gastro Education 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Gastro Education 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Gastro Education

2020

Who'd be attending?

International Conference on Gastro Education plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Gastro Consultants, Investigative Gastroenterologists and Pathologists, Regulatory Professionals, Pharmacogenetic Professionals, Laboratory Directors and Chemists, Forensic Scientists and Gastroenterologists and others who stay plunged in learning and practice of the science of Gastroenterology and its related Treatments.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Gastroenterology
- Gastrointestinal Immunology
- Gastrointestinal Surgery
- Gastrointestinal Disorders and Symptoms
- Inherited Liver Diseases
- Liver and Biliary
- Acid Related Diseases
- Hepato-Radiology
- Liver Injury and Immune Responses
- Recent Advances in Gastroenterology
- Hepato-Nephrology and Pathology
- Pancreatic Diseases
- Obesity and Bariatric Surgery
- Gastrointestinal Radiology
- Gastrointestinal Bleeding
- Liver Transplantation and surgery
- Pediatric Gastrointestinal Cancer
- Neuro Gastroenterology
- Gastrointestinal Endoscopy
- Gastroenterological Transplantation
- Gastro Oncology

About Destination London

London is the capital city of England and United Kingdom in the European Region. London is considered to be one of the world's most important global cities and has been termed the world's, most desirable, most influential, most powerful, most visited, most expensive, sustainable innovations, most investment friendly, most popular to work, and mostly vegetarian-friendly city in the world. The city was initially informal and with the history stretching back to Roman times. Its centre stands the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural complex. London has always been an Expensive city and today it enjoys the status of having one of the largest city economies in the world. The city thrives in trade and commerce and has a vibrant culture seeped in commerce. It has a GDP of over £565 billion, which is about 18 percent of the UK's total GDP. The Port of London handles 49 million tons of cargo every year. The service sector employs 3.2 million people in London, which is about 85 percent of all available jobs in London service industries. Out of this, the financial sector alone employs about 1.25 million people, are about one in every four jobs available. The manufacturing and construction industry, in employ contrast, half a million residents of Greater London, which is about 11 percent of the employable population of Greater London.
