INVITATION

Animal Health

Meetings International proudly announces the **Animal Health and Veterinary Medicine** scheduled during **December 05-06, 2019 at Osaka, Japan.** The conference emphasizes the theme "**Let's Make Animal Life Better**".

Meetings International provides an international dais for scientists and animal health science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of animal health has come into spotlight in the recent years. The main objective of animal health science is to study and endeavour to cure diseases in companion animals (horses, dogs and cats etc..), and to advance the teaching and practice of veterinary art and science.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.
