ABOUT PARIS

Paris is the capital and most populous city of France. The best times to visit Paris are January to April. The city sometimes sees light snow or flurries with or without accumulation. These winter and spring months straddle the city's manic peak tourism season. Paris is a major rail, highway, and air transport hub. Paris is the department with the highest proportion of highly educated people. Paris is home to many medical institutions, universities, associations and societies. For centuries, Paris has attracted artists from around the world, who arrive in the city to educate themselves and to seek inspiration from its vast pool of artistic resources and galleries. The city's top tourist attractions are the Notre Dame Cathedral, the Louvre Museum, the Eiffel Tower, Centre Pompidou, Muse d'Orsay, the City of Science and Industry, the Museum of Natural History.
