International Conference on

Gastroenterology & Hepatology

August 26-27, 2020 | Dubai, UAE

Gastroenterology 2020

Invitation

Dear Attendees,

Meetings International proudly announces the International Conference on Gastroenterology & Hepatology scheduled during August 26-27, 2020 in Dubai, UAE. The conference emphasizes the theme "Contemporary research on gastroenterology and hepatology".

Gastroenterology 2020 is an excellent platform for professionals and who are working in the field. This is going to be the largest and most promising international conference where World Gastroenterology & Hepatology professionals and decision-makers will come to discuss various aspects. Gastroenterology 2020 offers a platform to globalize the invention by introducing among scholastic associations and learning exchange from research to medical science. Meetings International has been associated with national and international associations, corporations and high-level individuals, dedicated to hosting world-class conferences and events. Meetings Int. supports broad scope research and peer review at a broad range of specialists around the world.

Sincerely,

Operating Committee

Gastroenterology 2020

Conference Highlights

- Gastrointestinal Cancer
- Gastrointestinal Endoscopy
- Bariatric Surgery and Obesity
- Inflammatory Bowel Disease
- Gastroesophageal Reflux Disease (GERD)
- Colorectal Cancer Screening
- Pathophysiology of Gastrointestinal Disorders
- Hepatitis
- Biliary disorders
- Alcoholic & Nonalcoholic Fatty Liver Disease
- Liver Cirrhosis and Transplantation
- Diagnosis & Advanced Treatments

To identify the future directions of research

Explore Dubai

Dubai is the most beautiful city in the United Arab Emirates. Dubai is essentially a desert city well with superb infrastructure, liberal policies, that became popular for its excellent tourist amenities. Dubai is famous for sightseeing attractions such as the Burj Khalifa (the world's tallest building) and shopping malls that come complete with mammoth aquariums and indoor ski slopes.
