General Surgery 2020

Invitation

General Surgery 2020

Dear Attendees,

Meetings International proudly announces the 11th International Conference on Surgery and Surgical Research scheduled during September 17-18, 2020 in Osaka City, Japan. The conference emphasizes the theme "" Current Challanges in Surgery".

This conference aims at connecting experts like General Surgeons, Senior Scientists, Researchers, Students and Business professionals who are involved in recent surgical and technological advancement, latest innovations and new trends in the field of General Surgery. General Surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body to improve their function, appearance and structure. This conference provides the best platform to the scientific community and industry to share their experiences and researches, wherein they can add to the society and get to know about the latest techniques of General Surgery which can help in their personal growth as well.

Sincerely,

Operating Committee

Explore Osaka

Osaka is the capital city of western Japan, and it’s one of the most popular tourist destinations in Japan.It’s a vibrant city filled with unique culinary, cultural and eye-opening experiences you won’t find anywhere else in Japan. Osaka is a large port city and commercial center on the Japanese island of Honshu. It’s known for its modern architecture, nightlife and hearty street food. The 16th-century shogunate Osaka Castle, which has undergone several restorations, is its main historical landmark. It’s surrounded by a moat and park with plum, peach and cherry-blossom trees. Sumiyoshi-taisha is among Japan’s oldest Shinto shrines. Osaka Castle is one of the most visited tourist attractions in Japan. Kyobashi is northeast of Osaka Castle, home to Osaka Business Park.
