Why to attend?:

- Constant source of fresh ideas and insights from peers
- Affordability
- Increasing connections
- Certification and recognition
- Visibility of profile across the globe
- Creation of one web page for each participant
- Interactive and informative
- No travel required

Deadlines:

Abstract submissions: October 12, 2020

Registrations: October 14, 2020

https://www.meetingsint.com/webinars/genomics/registration

Sessions

- Genetic Engineering
- DNA Technology
- Genetic Disorders
- Medical Genomics
- Clinical Genomics
- Forensic Science
- Immunotherapy and Immunogenetics
- Human Genetics
- Gene Study
- Human Genome Project
- Cancer Genomics
- Evolutionary Genetics
- Genome Imprinting

- All registered participants will get e-certificate
- All accepted abstracts will be published in proceedings
- Recorded Video of webinar will be provided after event
- Special benefits for combo registration of (Webinar+Article Publication)
