Workshop/ Special Session	16:30-17:00
Cell therapy	

About Zurich

Zurich is the biggest city in Switzerland and the capital of the canton of Zürich. It is situated in north-focal Switzerland, at the northwestern tip of Lake Zürich. As of January 2020, the region has 434,335 occupants, the metropolitan region 1.315 million, and the Zürich metropolitan region 1.83 million (2011). Zürich is a center point for rail routes, streets, and air traffic. Both Zurich Airport and its fundamental railroad station are the biggest and most active in the country. Forever made due with more than 2,000 years, Zürich was established by the Romans, who, in 15 BC, called it Turicum. In any case, early settlements have been discovered going back over 6,400 years (albeit this just demonstrates human presence nearby and not the presence of a town that early). During the Middle Ages, Zürich acquired the autonomous and special status of royal quickness and, in 1519, turned into an essential focal point of the Protestant Reformation in Europe under the initiative of Huldrych Zwingli. The authority language of Zürich is German, however the primary communicated in language is the nearby variation of the Alemannic Swiss German tongue, Zürich German. Numerous historical centers and workmanship exhibitions can be found in the city, including the Swiss National Museum and Kunsthaus. Schauspielhaus Zürich is viewed as quite possibly the main performance centers in the German-talking world. Zürich is among the world's biggest monetary focuses regardless of having a moderately little populace. The city is home to numerous monetary organizations and banking organizations.
