12TH WORLD CONGRESS ON GRAPHENE TECHNOLOGY & MATERIALS RESEARCH

Graphene 2019

November 25-26, 2019 | Miami, USA

INVITATION

Meetings International proudly announces the **12th World Congress on Graphene Technology & Materials Research** scheduled during **November 25-26, 2019 at Miami, USA.** The conference emphasizes the theme "**A NEW WAY TO ATOMIC ASSEMBLY**".

Meetings International provides an international dais for scientists and Veterinary professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. To supply a forum for international researchers from varied areas of Synthetic Chemistry by providing a platform for appraisal of recent data, and to share latest cutting-edge analysis findings and results regarding all aspects of chemistry of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

Important Dates

Early Bird: **March 31, 2019**

Registration Open: **January 25 2019**

Abstract Submission Open: **January 25, 2019**

On Spot Registration: **November 25, 2019**

CONFERENCE HIGHLIGHTS

- Graphene and 2D materials
- Emerging Trends in graphene research
- Graphene Synthesis, Semiconductors and Nanostructures
- Graphene modification and functionalization
- Applications of graphene in Energy and Biomedicals
- Carbon nanotubes and Graphene
- Electrochemistry of diamond and Nano carbon materials
- Applications of carbon nanotubes
- Synthetic Graphite and Natural Graphite

Meetings Int. offers

An unique platform for top level research and innovation

Miami, USA

Graphene 2019

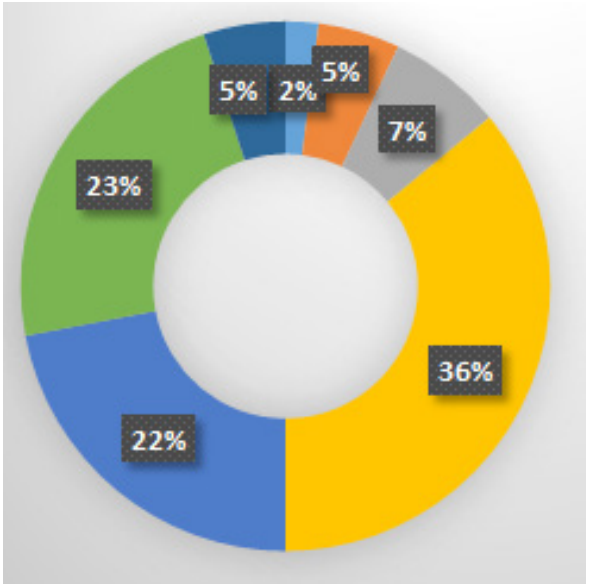

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication

- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scholars
- Business Enterprenures

ABOUT MIAMI

Miami is a major port city on the Atlantic coast of South Florida in the southeastern United States. Its Cuban influence is reflected in the cafes and cigar shops that line Calle Ocho in Little Havana. On barrier islands across the turquoise waters of Biscayne Bay is Miami Beach, home to South Beach. This glamorous neighbourhood is famed for its colourful art deco buildings, white sand, surfside hotels and trendsetting nightclubs.According to a 2009 UBS study of 73 world cities, Miami was ranked as the richest city in the United States, and the world's seventh-richest city in terms of purchasing power. A little more than a century ago, a city sprung up almost overnight. As a result, one of Miami's many nicknames is the Magic City. Miami is nicknamed the "Capital of Latin America "and is the largest city with a Cuban-American plurality. Miami is a major center, and a leader in finance, commerce, culture, media, entertainment, the arts, and international trade. Miami has the third tallest skyline in the U.S. with over 300 high-rises. Downtown Miami has one of the largest concentrations of international banks in the United States, and is home to many large national and international companies. The Civic Center is a major center for hospitals, research institutes, medical centers, and biotechnology industries.
