2nd International Conference on

Green & Sustainable Chemistry

Green Chemistry 2019

April 24-25, 2019 | Rome, Italy

INVITATION

Meetings International proudly announces the **2nd International Conference On Green & Sustainable Chemistry** scheduled during **April 24-25, 2019** in **Rome, Italy**. The conference emphasizes the theme "**Research at the Interface of Chemistry and Sustainability**".

Meetings International provides an international dais for scientists and Chemistry professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences. To supply a forum for international researchers from varied areas of renowned scientists, physicians, surgeons, young researchers, industrial delegates and talented student communities by providing a platform for appraisal of recent data, and to share latest cutting-edge analysis findings and results regarding all aspects of chemistry of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD

Important Dates

Early Bird: **January 30, 2019**

Registration Open: **August 24, 2018**

Abstract Submission Open: **August 24, 2018**

On Spot Registration: **April 24, 2019**

CONFERENCE HIGHLIGHTS

- Green and Sustainable Chemistry
- Green Chemistry: Challenges and Opportunity
- Green Chemistry for Nanoparticle Synthesis
- Green Chemistry in Pharmaceutical Industries
- Green Analytical Chemistry
- Green Polymer and Plastic Chemistry
- Green Manufacturing and Engineering
- Biofuels and Alternative Energy
- Bio-Separations: Recent Advances
- Green Technologies in Food Production & Food Processing
- Future Trends in Green Chemistry

Meetings Int. offers

An unique platform for top level research and innovation

ABOUT ROME

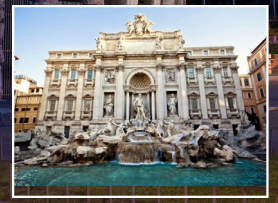

Rome is regarded as one of the world's most beautiful ancient cities, and contains vast amounts of priceless works of art, palaces, museums, parks, churches, gardens, basilicas, temples, villas, piazzas, theatres, and other venues in general. As one of the world's most important and visited cities, there are numerous popular tourist attractions. In 2005, the city received 19.5 million global visitors, up of 22.1% from 2001. The 5 most visited places in Rome are: Pantheon (8 million tourists a year), The Colosseum (7.036.104 tourists a year), Trevi Fountain (3.5 million tourists a year), Sistine Chapel (3 million tourists a year) and The Roman Forum (2.5 million tourists a year). The study was conducted by the Ministero dei Beni e della Attivita' Culturali e del Turismo (MIBACT) for the year 2017. Rome is the city with the most monuments in the world.
