

EuroSciCon

May 11-12, 2022

Florida , USA

24th International Conference on

# Green Chemistry

May 11-12, 2022 | Florida , USA

**Theme: To foster cutting-edge research for the enlargement of sustainable technologies**

# Invitation

We are glad to announce the 24th International Conference on Green Chemistry to be held in Florida , USA from May 11-12, 2022 organized by EuroSciCon ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Eminent Scientists/ Research Professors in the field of Green Chemistry, Chemical, Pharmaceutical, Toxicology, Polymer and petroleum, Junior/Senior research fellows, Students, Directors of Chemical research companies, Chemical Engineers, Members of Chemistry associations and exhibitors from Chemical, Pharmaceutical, Petroleum and Polymer Industry/ Plastic Industries.

Life is about learning every day. Make it count in your professional life. Attend Green chemistry -2022 Conference  Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Florida , USA - May 11-12, 2022.

EuroSciCon

# A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

# Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Practitioners and Educators accessing the website, Clinical Green chemistry -2022 is the most lucrative platform for Eminent Scientists/ Research Professors in the field of Green Chemistry, Chemical, Pharmaceutical, Toxicology, Polymer and petroleum, Junior/Senior research fellows, Students, Directors of Chemical research companies, Chemical Engineers, Members of Chemistry associations and exhibitors from Chemical, Pharmaceutical, Petroleum and Polymer Industry/Plastic Industries. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

## Green chemistry -2022 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

## How's EuroSciCon different?

*Exercises your creative instincts with the live knowledge experience*
*It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries*
*Over 25 Million+ Visitors and 20000+ Unique Visitors per conference*
*World's leading industries and companies attend*
*Career guidance for early career researchers and students*
*Provides insights you need to take your research to the next level*
*A huge conclave of high tech and science priests*

# Who'd be attending?

Leading World Industrialists Green chemistry Professionals, Members of Chemistry associations and exhibitors from Chemical, Pharmaceutical. Green chemistry -2022 conference conference brings together individuals who have an interest in different fields of plays host for the Multinational organizations, entrepreneurs across the globe, the Eminent Scientists/ Research Professors in the field of Green Chemistry, Chemical, Pharmaceutical, Toxicology, Polymer and petroleum, Junior/Senior research fellows, Students, Directors of Chemical research companies, Chemical Engineers, Members of Chemistry associations and exhibitors from Chemical, Pharmaceutical, Petroleum and Polymer Industry/Plastic Industries.

## About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

# Scientific Sessions:

- Green Chemistry In Pharmaceutical Industries
- Analytical Methods In Green Chemistry
- Applications Of Green Chemistry And LCA
- Biodegradation
- Biomass & Bioenergy
- Biopolymer & Bioplastics
- Eco Friendly Materials
- Future Trends In Green Chemistry
- Green Catalysis
- Green Chemistry
- Green Chemistry & Sustainable Process

EuroSciCon

Green chemistry

2022

# About Destination Florida

Florida is the southeasternmost U.S. state, with the Atlantic on one side and the Gulf of Mexico on the other. It has hundreds of miles of beaches. The city of Miami is known for its Latin-American cultural influences and notable arts scene, as well as its nightlife, especially in upscale South Beach. Orlando is famed for theme parks, including Walt Disney World.
