# Explore Rome

Rome is the capital of Italy and also of the Province of Rome and of theregion of Lazio. With 2.9 million residents in 1,285.3 km2. It is also theCountry's largest and fourth-most populous city in the European Union bypopulation within city limits. Rome extends beyond the administrative citylimits with a population of around 3.8 million. Between 3.2 and 4.2 millionpeople live in Rome's metropolitan area. The city is located in the central-western portion of the Italian Peninsula, within Lazio (Latium), along theshores of the Tiber river. Vatican City is an independent country within thecity boundaries of Rome, the only existing example of a country within acity: for this reason, Rome has been often defined as capital of two states. Rome has the status of a global city. In 2011, Rome was the 18th-most-visited city in the world, 3rd most visited in the European Union, and the most popular touristattraction in Italy. Its historic center is listed by UNESCOas a World Heritage Site. Monuments and museums such as the Vatican Museums and the Coliseum are among the world's most visited tourist destinations with both locations receiving millions of tourists a year. Rome hosted the 1960 Summer Olympics and is the seat of United Nations' Food andAgriculture. Organization (FAO).
