2020

About Destination Paris

The magic and romance of France's capital city are legendary. From stage, to screen to pages in classic and contemporary novels, you've seen its stories unveiled and have been seduced by its cobblestone streets, tree-lined boulevards and sidewalk cafes. The City of Light opens her arms to everyone from hungry historians and fashion forward elites to foodies and philosophers. Epic sights like the Eiffel Tower, Louvre and Moulin Rouge beckon visitors who stroll the streets of the city's 20 arrondissements..

Top Attractive Places to Visit in Paris

Also known as the city of love, Paris is a place where you cannot select one beautiful place because the city is lined with several attractions. If you are planning to explore Paris on your next expedition then make sure that you visit The Louvre, Eiffel Tower, and Notre Dame Cathedral as they are some of the most beautiful places to visit in Paris.

The Roue de Paris is a 60-metre (200 ft) tall[1][2] transportable Ferris wheel, originally installed on the Place de la Concorde in Paris, France, for the 2000 millennium celebrations. It left Paris in 2002 and has since then seen service at numerous other locations around the world.

The Eiffel Tower is a wrought-iron lattice tower on the Champ de Mars in Paris, France. It is named after the engineer Gustave Eiffel, whose company designed and built the tower

The Louvre, or the Louvre Museum, is the world's largest art museum and a historic monument in Paris, France. A central landmark of the city, it is located on the Right Bank of the Seine in the city's 1st arrondissement.

Past Conference Report

International conference on Gynecology and Obstetrics was organized during July 26-27, 2020 at Rome, Italy. With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you for trusting us and participating at International conference on Gynecology and Obstetrics, a global platform to discuss various important aspects of Gynecology and Obstetrics and its application.

There are infinite reasons to extend our gratitude to you for making the Gynecology and Obstetrics outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve new height in the field of Gynecologists.

The conference was marked by the attendance of Scientists, Professors, Young and brilliant researchers, Business delegates and talented student communities representing more than 30 countries, who have driven this event into the path of success.

The conference was organized around the theme **"Focus on Next Generation to Improve the Obstetrics & Gynecology Care"**. The event implanted a firm relation of upcoming strategies in the field of Gynecology with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. **Mr Ernie Davis,** Powerhouse Motivations Coaching & Leadership Solutions, USA was the moderator of Gynecology and Obstetrics 2019. We are much thankful to Ernie Davis for his great support and help in making this event more interesting.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers **Paola Tomasello,** Giustino Fortunato University, Italy; **Aleksandar Susic,** University of Zagreb, Croatia; **Deborah Alperovitch-Najenson,** Tel Aviv University; University of Ben-Gurion of the Negev, Israel; **Don G. Bouwhuis,** University of Gynecology, Netherlands; **Antonio Chialastri,** STASA think-tank, Italy; **Ahmet Fahri Ozok,** Okan University, Turkey. The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Gynecology through their fabulous presentations at the podium of Gynecology 2019.

Euroscicon offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Archives of Medicine journal, who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. So as continuation of EGynecology and Obstetrics 2019 we would like to heartily invite you to our upcoming 2nd Edition of International Conference on Gynecology and Obstetrics scheduled Aug 12-13, 2020 Paris, France. We look forward to seeing your benign presence with active contribution and support to make this event successful once more.
