EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ professionals and Educators accessing the website, Health Economics 2020 is the most lucrative platform for Material Science Doctors, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Health Economics 2020 Sailent Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

June 22-23, 2020
Rome, Italy

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 300+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

2020

Who'd be attending?

The conference will bring together Directors, Gynecologists, Oncologists, Physicians, Doctors, Director of Laboratories, Universities, Industries, Professors, Delegates, Research specialists, Post-Doctoral Fellows, Researchers and Students, Research companies, and Consulting Firms and all the interested participants willing to enhance and update the knowledge on Health Economics Summit and Breast Cancer.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 18 years of Engineering Communication it focuses on to Spearheading the Transformation of Research into Knowledge through Scientific Gatherings and Networking. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Public Health Economics
- Health Care Services
- Global Health Policy
- Tele-Health
- E-Health
- Tele-nursing
- Health Economics & Outcome Research
- Health Care Technologies
- Health Insurance
- Disability & Disability Policy
- Health Economics
- Economics of Social Care
- Health Equity
- Mental Health
- Welfare Economics
- Hospital Economics & Management
- Health Economics & Financing
- Health Aging

About Destination Rome

Rome, Italian Roma, historic city and capital of Roma provincia Lazio regione (region), and of the country of Italy. Rome is placed in the central portion of the Italian peninsula, on the Tiber River about 15 miles (24 km) inland from the Tyrrhenian Sea. Once the capital of an ancient republic and empire whose armies and polity defined the Western world in antiquity and left seemingly indelible imprints thereafter, the physical and spiritual seat of the Roman Catholic Church, and the site of major pinnacles of dramatic and creative achievement, Rome is the Eternal City, remaining today a political capital, a religious centre, and a remembering to the creative imagination of the past. Rome was the last city-state to become part of a undivided Italy, and it did so only under duress, after the invasion of Italian troops in 1870.

The Civilization of Rome, Italy refers to the arts, high culture, language, religion, politics, libraries, cuisine, architecture and fashion in Rome, Italy. Rome was supposedly founded in 753 BC and ever since has been the capital of the Roman Empire, one of the main centres of Christianity, the home of the Roman Catholic Church and the seat of the Italian Republic. Due to social and historical importance, Rome is often nicknamed the Caput Mundi, or “capital of the world”.
