Invitation

As is generally the case in Spain, the system of healthcare in Barcelona is high quality and holds a good reputation among both locals and expats. Even international patients have taken notice of the country's exceptional treatment, and a fair amount of foreigners travel to the city as medical tourists. As a result, both the public and private healthcare sectors in the city Barcelona have risen. Euroscicon is proud to host the 15th Edition of International Conference on Health and Primary Care, May 27-29, 2019 in Barcelona, Spain. This year's theme is "Revolutionizing Technologies to Enhance the Current Health and Primary Care Systems". Healthcare 2019 will provide an unprecedented opportunity for Healthcare Professionals, Physicians, Health care administrators, Researchers, financial managers, policy makers and Academicians of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Pharmacists, Epidemiologists, Healthcare specialists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Healthcare Conference is the perfect venue not only to dive into your particular interests but also to expand the scope of your knowledge.

22 tracks are devoted to subjects such as Healthcare, Services And Technologies, Healthcare And Primary Care, Healthcare And Environmental Health, Occupational Health And Safety, Healthcare And Cardiology, Healthcare And Nutrition, Healthcare And Hospital Management, Healthcare And Oncology, Child Healthcare, Healthcare And Pediatrics, Healthcare And Dentistry, Healthcare And Patient Safety, Healthcare And Nursing, Healthcare And Public Health, The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant healthcare forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ toxicologists and pharmacologists accessing the website, Healthcare 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Healthcare 2019 Salient Features:

In a universe of data over-burden, we concentrate on the issues most important to the present specialized patterns

Congregate with most senior executives

Gather with most senior officials

Sustain associations

Plan arrange which fuses plentiful Q&A time

Share in our patched-up exhibitor expo sessions

Meet and listen to the relevant clients

Remarkable development making an unparalleled commercial center

About Destination Barcelona

Barcelona is a city in Spain. It is the capital and biggest city of Catalonia, and in addition the second most crowded district of Spain. With a populace of 1.6 million inside city restrains, its urban zone stretches out to various neighbouring districts inside the Province of Barcelona and is home to around 4.8 million individuals, making it the 6th most crowded urban region in the European Union after Paris, London, Madrid, the Ruhr territory and Milan. It is the biggest city on the Mediterranean Sea, situated on the drift between the mouths of the streams Llobregat and Besòs, and limited toward the west by the Serra de Collserola mountain go, the tallest pinnacle of which is 512 meters (1,680 feet) high.

Established as a Roman city, in the Middle Ages Barcelona turned into the capital of the County of Barcelona. Subsequent to converging with the Kingdom of Aragon, Barcelona kept on being a critical city in the Crown of Aragon as a monetary and managerial focal point of this Crown and the capital of the Principality of Catalonia. Barcelona has a rich social legacy and is today an imperative social focus and a noteworthy visitor goal. Especially prestigious are the structural works of Antoni Gaudí and Lluís Domènech I Montaner, which have been assigned UNESCO World Heritage Sites. The home office of the Union for the Mediterranean is situated in Barcelona. The city is known for facilitating the 1992 Summer Olympics and in addition world-class gatherings and compositions and furthermore numerous universal game competitions.
