Invitation

A Webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.

The Nursing industry is one of the largest and most important industries worldwide. Nursing & Healthcare team is proud to host the Annual Virtual Summit on Nursing & Healthcare | Webinar | January 27-28, 2021. This year's theme is Bridging Excellence in Nursing & Healthcare Affairs. Nursing & Healthcare 2020 will provide an unprecedented opportunity for Healthcare lovers of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite researchers and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Nursing & Healthcare webinar is the perfect venue not only to dive into your particular Nursing interests but also to expand the scope of your knowledge. 16 Scientific tracks are devoted to subjects such as Nursing And Healthcare Education, Nursing Practice And Research, Nursing Informatics, Advanced Nursing, Types Of Nursing, Cardiac Nursing, Cancer And Tumour Nursing, Surgical Nursing, Psychiatric And Mental Health Nursing, Gerontology (Geriatric) Nursing, Gastroenterology Nursing, Obstetrics And Gynecology Nursing, Pediatric And Neonatal Nursing, Holistic Nursing.

About EuroSciCon

Who'd be attending?

Nursing & Healthcare 2020 conference brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, paediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy, and education. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions. The conference will provide exposure to the possibilities in the field of Nursing & Healthcare. It is very beneficial for the students, physicians, nurses, doctors, healthcare people, professors because it provides knowledge in this field. It also gives opportunities to the nursing societies to showcase their knowledge and have face to face meetings with scientists, increasing their business opportunities and also gives the opportunity to know about their market competitors. It allows nurses of all levels of experience to participate in an area of career and education growth that is not easily found within the structure of the workplace. We assure our attendees would return to their hospitals with a confidence to improve their nursing practice, equipped with certified procedures to work with.
