- An opportunity to share your views and interact with researchers from around the world.
- A chance for budding scientists to meet their academic heroes.
- Engaging in high-level debates to refine your ideas.
- Opportunity to get a best young scientist award

Tourist Attractions

- Osaka is an designated city in the Kansai district of Japan.
- Osaka is the greatest entrance site giving all touring data about Osaka, run by Osaka Convention and Tourism Bureau. Scarcely any attractions are Osaka Castle, Sumiyoshi Taisha, Shinsaibashi and some more. More noteworthy Osaka has a broad system of railroad lines, practically identical to that of Greater Tokyo.
