An unique platform for top level research and innovation

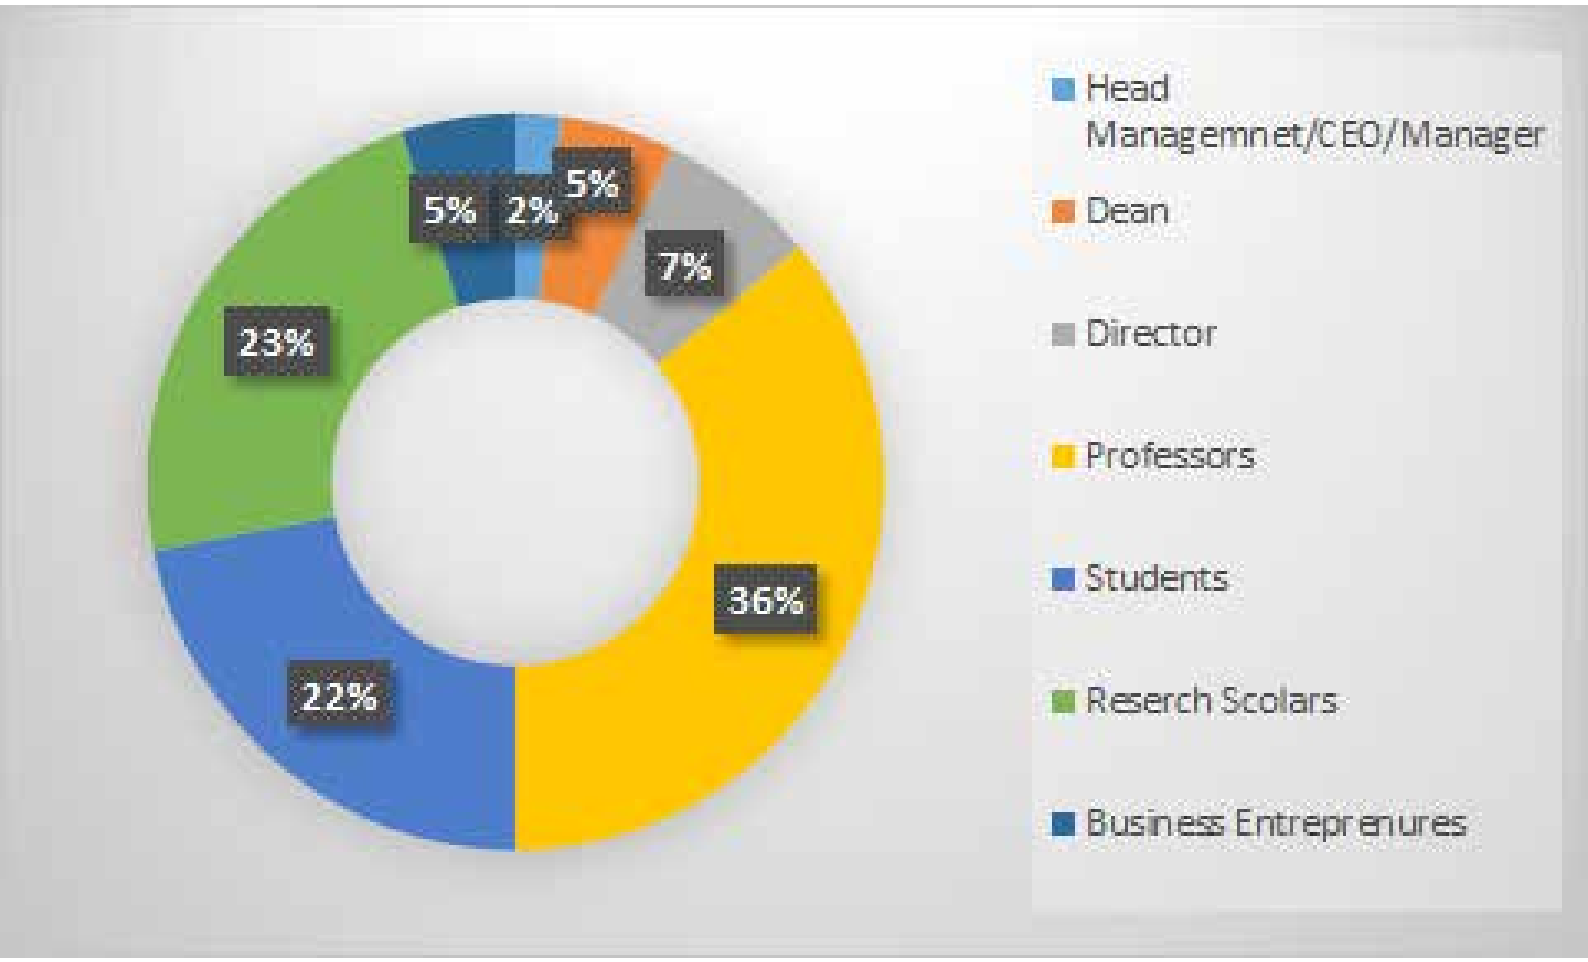

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore **Singapore City**

Singapore is a city-state island situated in South East Asia, just off the southern tip of Malaysia. Bustling Pagoda Street Market sells novel gifts such as dragon candles. Singapore Zoo and Jurong Bird Park are perennial attractions. A cable-car goes to to the island playground of Sentosa. Singapore ranks 5th on the UN Human Development Index and the 3rd highest GDP per capita. It is ranked highly in education, healthcare, life expectancy, quality of life, personal safety and housing. Although income inequality is high, 90% of homes are owner-occupied. 38% of Singapore's 5.6 million residents are permanent residents and other foreign nationals.
