July 28-29, 2022
Rome, Italy

19th World Congress on

Hepatology

July 28-29, 2022 | Rome, Italy

Theme: To discuss the latest updates and cutting-edge technologies in the field of Hepatology

Invitation

We are glad to announce the 19th World Congress on Hepatology to be held in Rome, Italy from July 28-29, 2022 organized by EuroSciCon ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

The event will have Keynote speakers, Plenary speakers, Invited speakers and fresh contributed speakers. In addition, a variety of poster presentations along with workshops and special sessions would be interested in listeners.

The aim of the HEPATOLOGY CONFERENCE 2022 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together again the world-class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Hepatology.

We sincerely hope that HEPATOLOGY CONFERENCE serves as an international platform for meeting researchers from around the world, widen professional interaction and create new opportunities, including establishing new alliances. We are looking forward to seeing you at Hepatology Conference 2022 in Rome, Italy.

Sincerely,
HEPATOLOGY CONFERENCE 2022
Organizing Committee

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

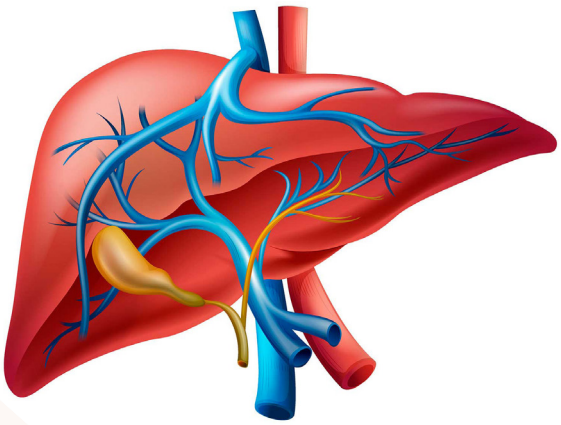

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Ergonomists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon

Hepatology Conference 2022 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Hepatology Conference 2022 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

Hepatology Conference 2022 is aimed to give an opportunity that with scholars from around the world focused on learning about Hepatology & Gastroenterology and its advances; this is the best opportunity to reach the largest gathering of participants from the Hepatology & Gastroenterology community. It provides an explicit platform for presentations distributes information, meets with current and potential scientists. World-renowned speakers, the most recent techniques, developments, and the latest updates in Hepatology & Gastroenterology are hallmarks of this conference.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Medical, Institute of Biomedical Science (IBMS) and British Society for Gastroenterology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Viral Hepatitis A And E
- Viral Hepatitis B And D
- Liver Transplantation And Surgery
- Cirrhosis And Its Complications
- Liver Cancer
- Diagnosing Of Liver Diseases
- Pancreatitis
- Metabolic Liver Disease
- Pancreatic Cancer
- Viral Hepatitis C
- Liver Failure
- Fatty Liver Diseases
- Diabetes Mellitus
- Gastroenterology

About Destination Rome, Italy

Rome is one of the planet's most beautiful city, a shining light which has illuminated the torso of southern Europe for many centuries. Rome is the capital city of Italy located in the central western position of Italian peninsula along the shores of the river Tiber. It is also known as the "Eternal city" and also "Caput Mundi," coming from Latin and the meaning is "Capital of the World". The population of the city is around 2.7 million. The Vatican City is an independent country inside the city boundaries of Rome, the only existing example of a country within a city. For this reason, Rome has been often defined as capital of two states. Rome has the status of a global city. In 2016, Rome ranked as the 14th-most-visited city in the world, 3rd most visited in the European Union, and the most popular tourist attraction in Italy.

Architecture, Culture & Entertainment Rome is one of the most important tourist destinations of the world, due to the incalculable immensity of its archaeological and art treasures, as well as for the charm of its unique traditions, the beauty of its panoramic views, and the majesty of its magnificent "Villas". Among the most significant resources: plenty of museums like Capitoline Museums, the Vatican Museums, Galleria Borghese, and a great many other aqueducts, fountains, churches, palaces, historical buildings, the monuments and ruins of the Roman Forum, and the Catacombs.
