Abu Dhabi Attractions

Explore Abu Dhabi

Abu Dhabi, also spelled Abū Ẓaby, constituent emirate of the United Arab Emirates (formerly Trucial States, or Trucial Oman). Though its international boundaries are disputed, it is unquestionably the largest of the country's seven constituent emirates, with more than three-fourths of the area of the entire federation. Its rich oil fields, both onshore and in the Persian Gulf, make it, with neighbouring Dubai, one of the nation's two most prosperous emirates.
