ABOUT LAS VEGAS

Las Vegas is the 28th-most populated city in the United States, the most populated city in the state of Nevada, and the county seat of Clark County. The city anchors the Las Vegas Valley metropolitan area and is the largest city within the greater Mojave Desert. Las Vegas is an internationally renowned major resort city known primarily for its gambling, shopping, fine dining, entertainment, and nightlife. It is the leading financial, commercial, and cultural center for Nevada. It is a top three destination in the United States for business conventions and a global leader in the hospitality industry, claiming more AAA Five Diamond hotels than any city in the world. “Las Vegas” is often used to describe areas beyond official city limits—especially the areas on and near the Las Vegas Strip, which is actually located within the unincorporated communities of Paradise, Winchester, and Enterprise.
