International Conference on

Hospital Management & patient safety

March 16-17, 2020 | Berlin, Germany

Hospital Management Conference 2020

Invitation

Hospital Management Conference 2020

Dear Attendees,

Meetings International proudly announces the International Conference on Hospital Management & Patient Saftey scheduled during March 16-17, 2020 in Berlin, Germany. The conference emphasizes the theme "Exploring the New Horizon in the Hospital Management and Healthcare".

This conference aims at connecting experts like Hospital Management practitioners, oriental medicine faculty, researchers, students and business professionals who are involved in preservation, advancement and integration of hospital management into the modern healthcare to enhance public health. It aims to help those responsible for patient safety recognize and reduce potential harm to patients/families and providers before incidents occur so care is safer today and in the future. This conference provides the best platform to the scientific community and industry to share their experiences and researches, wherein they can add to the society and get to know about the latest techniques of acupuncture which can help in their personal growth as well.

Sincerely,

Operating Committee

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Berlin

Berlin is the capital and also the largest town of FRG. Berlin is located in northeastern Germany on the banks of the rivers Spree and Havel. Berlin's economy is principally supported the service sector. Berlin location is influenced by a temperate seasonal climate due to its location in the European plain. Berlin is the seventh most populous urban area in the European Union and second most populous city in the European Union. Berlin's growing appeal as an international study destination is also due in part to a greater provision of courses in English. Berlin is a major center for culture, politics, media, and science. Between the River Spree and the Kupfergraben in a 400-meter-long canal, Spree Island is better known as Museum Island (Museumsinsel), a UNESCO World Heritage Site.
