ABOUT MIAMI

Hypertension 2019

Miami is the cultural, economic and financial hub of South Florida with the most inhabitants. The Miami Metropolitan Area is by far the largest urban economy in Florida and the 12th largest in the United States with a GDP of $344.9 billion as of 2017. Greater Downtown Miami has one of the largest concentrations of international banks in the United States and is home to many large national and international companies, research institutes, medical centers and biotechnology industries. For more than two decades, the port of Miami, known as the “Cruise Capital of the World” has been the number one cruise passenger port in the world which accommodates some of the world’s largest cruise ships and operations.
