ABOUT ROME

Rome is considered the world's second most historically, educationally and culturally interesting and beautiful city. Rome is considered the world's second most historically, educationally and culturally interesting and beautiful city. Rome today is one of the most important tourist destinations of the world due to the incalculable immensity of its archaeological and artistic treasures as well as for the charm of its unique treasures, the beauty of its panoramic views and the majesty of its magnificent parks. As the capital of Italy, Rome hosts all the principal institutions of the nation, including the presidency of the Republic, the government, the parliament, the main judicial courts and diplomatic representative. The huge development of tourism is very dynamic and extremely important to its economy. Universities, national radio and television and the movie industry in Rome are also important parts of economy.
