Dear Colleagues,

Meetings International take the privilege of hosting the International Conference on Hypertension worldwide and very excited to expand it to the USA. With the valuable support of Scientific Committee Members, **International Conference on Hypertension & Cardiology** planned to be held in the beautiful **Las Vegas, USA during October 01-03, 2018.**

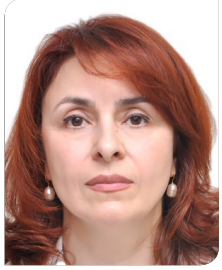

Working with the topic "**Control Hypertension: Add life to Longevity**" we unite a select worldwide blend of vast and medium therapeutic and clinical research and analytic organizations, driving colleges and medicinal research foundations. This is an ideal stage to share involvement, speedier coordinated efforts among businesses and advancements around the globe.The conference predominantly focus around spreading the mindfulness about difficulties in this field and how to anticipate and oversee hypertension and other cardiovascular ailments.

Meetings International through its Open Access Initiative is resolved to make genuine and solid commitments to established researchers

Conference Highlights :

About Las Vegas

Venue:

Las Vegas, USA

City of Las Vegas and often known simply as Vegas, is the 28th-most populated city in the United States, the most populated city in the state of Nevada, and an internationally renowned major resort city, known primarily for its gambling, shopping, fine dining, entertainment, and nightlife. The Las Vegas Valley as a whole serves as the leading financial, commercial, and cultural center for Nevada. Las Vegas is situated within Clark County in a basin on the floor of the Mojave Desert and is surrounded by mountain ranges on all sides. Much of the landscape is rocky and arid with desert vegetation and wildlife

The city bills itself as The Entertainment Capital of the World, and is famous for its mega casino–hotels and associated activities
