EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

September 21-22, 2020
Amsterdam, Netherlands

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Ergonomists, Engineers, Scientists, Students Technologists accessing the website, EuroSciCon Ergonomics & Human Factors 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Hypertension and CVD 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

September 21-22, 2020
Amsterdam, Netherlands

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Hypertension & CVD

2020

Who'd be attending?

EuroSciCon Conference on 2nd Edition of International Conference on Hypertension and Cardiovascular Diseases plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Ergonomists, Engineers, Scientists, Students and others who stay plunged in learning and practice in the Cardiology & its all related topics.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Hypertension
- Cardiovascular Diseases and Heart Failure
- Diabetes, Obesity and Stroke
- Arrhythmias
- Coronary Heart Disease
- Cor Pulmonale and Congenital Heart Defect
- Cardiomyopathy and Myocardial Infarction
- Congestive Heart Failure
- Valvular Heart Disease
- Peripheral Arterial Disease
- Complications of Heart Disease
- Structural Heart Disease Interventions
- Cerebrovascular Accident and Rheumatic Heart Disease
- Cardiovascular Toxicology and Pharmacology
- Cardiology and Cardiovascular Research
- Cardiovascular Surgery and Transplantation
- New Directions in Cardiovascular Surgery
- Cardiovascular Rehabilitation
- Cardiac Regeneration
- Cardiac or Ventricular Remodeling
- Advances in Cardiovascular Imaging
- Cardiac Nursing and Healthcare
- Cardiac Devices
- Electrocardiography
- Clinical Case Reports
- Clinical, Interventional, Pediatric, Sports Cardiology

2020

About Destination Amsterdam

Amsterdam is the capital of Netherlands. Amsterdam is a wonderful spot to visit, from the well-known

Amsterdam waterways to world-celebrated Amsterdam museums and chronicled Amsterdam sights. It is a standout amongst the most sentimental and delightful urban communities in Europe. It has different obsolete favored spots and different stupendous show passages and what's more the business capital of the Netherlands and remarkable among other money related focuses in Europe.

Amsterdam's enterprising soul is woven into its very pith; the city persistently moves to the cutting edge of different fields with its new and inventive perspectives. Furthermore, it's this transformative frame of mind that makes the city a commendable counterpart for a similarly coordinated and regularly adjusting field of research: oncology, the investigation and treatment of cancer
