Invitation

Meetings International proudly announces the ***International Immunology Conference*** scheduled during ***August 06-07, 2018*** in ***Dubai, UAE***. The conference emphasizes the theme "***Revolutionize Research to improve human health***".

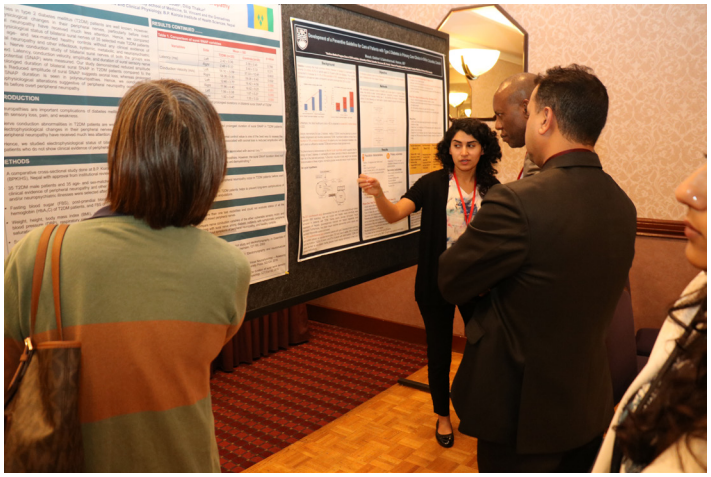

Meetings International provides an international dais for scientists and plant science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of plants has come into spotlight in the recent years. Many of the floral species have become extinct due to the human activities. Thus, priorities are given for the plant research to produce more production to support the ever-growing population of the world.

Sincerely,
Operating Committee

Explore **Dubai**

Dubai is second largest of the seven Emirates that make up the United Arab Emirates located on the East- ern coast of the Arabian Peninsula, in the south west corner of the Arabian Gulf. Dubai has developed as a global city and business hub of the Middle East and South Asia also one of the wonders of the modern world. Dubai has emerged as a cosmopolitan city that has grown progressively into a worldwide city and a business and social center of the Middle East and Persian Gulf. Many visiting places are in Dubai like The Burj Al Arab, Jumeirah Mosque, Al Fahidi Fort & Dubai Museum, and The BurjKhalifa and so on. There are many tourist attractions in Dubai, resulting from a large scale construction boom. Mohammed bin Rashid Al Maktoum, the current ruler of Dubai and the prime minister of the United Arab Emirates, wants Dubai to become the top tourist destination in the world. Dubai is expected to attract 15 million tourists from all around the world in 2015. Euromonitor ranked the world's 150 most visited cities by international tourists in 2009; Dubai ranked 7th. Dubai hosted a record 10 million visitors in 2012, an increase of 9.3% from the previous year. Looking forward to meet you at this beautiful city Dubai
