Explore Osaka

Osaka is a designated city in the Kansai region of Japan. Osaka is a large port city and commercial center on the Japanese island of Honshu. It's known for its modern architecture, nightlife and hearty street food. Osaka has also been known as the "nation's kitchen" and it is known for its food, in Japan and abroad. The city of Osaka offers its guests great entertaining and cultural program including various ethnic festivals and fests. Osaka serves as one of the media hubs for Japan, housing headquarters of many media-related companies. Osaka is home to a number of world-class research facilities including Osaka University which is renowned as a leading institution in immunology research, and has produced many world-famous researchers who have excelled in research in the biomedical field.
