About Paris

Paris is in the Paris department of the Paris-Isle-of-France region. The French historic, political and economic capital, with a population of only 2.5 million is located in the northern part of France. Paris is one of the most popular cities among travellers. Known as the "City of Light" or the "City of Love" the streets of Paris overflow with culture, art, beauty, and history. Whether searching out Monet's Water Lilies at Musee de l'Orangerie, climbing the many steps of Sacre-coeur, standing before the Eiffel Tower in awe, or searching out the best crepes along the Seine, Paris is a city that captures the hearts of millions ever year.
