ABOUT OSAKA

Osaka is the second largest metropolitan area in Japan and among the largest in the world with over 19 million inhabitants. It serves as major economic hub for the country. Osaka is known for its fine sake which is made with fresh water from the prefecture's mountains. Osaka's culinary prevalence is the result of a location that has provided access to high quality ingredients, a high population of merchants and proximity to the ocean and waterway trade. It is a home to entertainment and art a major tourist destination.
