11th International Conference on

Internal Medicine & Patient Care

July 20-21, 2023 | Florida, USA

Theme: Current Research and Advances in Internal Medicine

EuroSciCon

Invitation

INTERNAL MEDICINE

2023

Euroscicon invites all the participants from all over the world to attend **11th International Conference on Internal Medicine & Patient Care**, during **July 20-21, 2023**, **Florida, USA** which includes prompt keynote presentations, Oral talks, Poster presentations and Exhibitions.

This event will focus on Application of Internal Medicine and Patient Care, Internal Medicine conferences aim to promote continuous medical education and encourage a nourishing exchange of facts and ideas in how to deal with the disorders involving patients and Applications through invited plenary lectures, symposia, workshops, invited sessions and oral and poster sessions of unsolicited contributions.

Scientific Sessions:

- Adult Diseases
- Allergy And Immunology
- Anesthesiology & General Surgery
- Cardiovascular Medicine
- Chronic Disease
- Clinical Trials
- Dermatology
- Diagnosis And Case Reports
- Electronic Medical Record And Disease Management
- Emergency Medicine
- Endocrinology And Diabetes
- Epidemiology
- Family Medicine And General Practice
- Gastroenterology And Hepatology
- Genomic Medicine
- Geriatrics
- Hematology
- Hospital MedicineIntensive Care Medicine
- Infectious Diseases
- Internal Medicine And Healthcare
- Nephrology And Hypertension
- Neurology
- Obstetrics And Gynecology
- Oncology
- Palliative Care
- Pediatrics And Neonatology
- Primary Care
- Psychiatry
- Pulmonary And Critical Care Medicine
- Rheumatology
- Sleep Medicine
- Sports Medicine
- Telemedicine
- Case Reports

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all

EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 25000+ Occupational health Specialists, Occupational Health Doctors and Pharmacologists accessing the website, Biotechnology 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better. outreach of the work and profile.

INTERNAL MEDICINE 2023 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

The conference brings professors, researchers, business giants, and technocrats along to supply a global platform for the dissemination of original analysis results, new ideas and invent advances within the field of materials science and nanotechnology. This conference will include topics as classroom demonstrations, new teaching methods, and recent advances in areas of materials science. Apart from the invited talks, there will be oral presentations, posters, and workshops.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Business Key Topics:

- Clinical trials
- Internal Medicine and Health care
- Emergency medical services
- Electronic medical record
- Disease management
- Biomedical engineering
- Medical gadgets and devices
- Health policies and internal medicine
- Telemedicine
- Health insurance

About Destination Florida, USA

Florida is a state located in the Southeastern region of the United States. Florida is bordered to the west by the Gulf of Mexico, to the northwest by Alabama, to the north by Georgia, to the east by the Bahamas and Atlantic Ocean, and to the south by the Straits of Florida and Cuba; it is the only state that borders both the Gulf of Mexico and the Atlantic Ocean. Spanning 65,758 square miles (170,310 km2), Florida ranks 22nd in area among the 50 states, and with a population of over 21 million, is the third-most populous. The state capital is Tallahassee and the most populous city is Jacksonville. The Miami metropolitan area, with a population of almost 6.2 million, is the most populous urban area in Florida and the ninth-most populous in the United States; other urban conurbations with over one million people are Tampa Bay, Orlando, and Jacksonville.
