About Miami

Miami is an international city at Florida's southeaster tip. Its Cuban influence is reflected in the cafes and cigar shops that line Calle Ocho in Little Havana. On barrier islands across the turquoise waters of Biscayne Bay is Miami Beach, home to South Beach. This glamorous neighbourhood is famed for its colourful art deco buildings, white sand, surfside hotels and trendsetting nightclubs. Miami is one of the states and the worlds most popular vacation spots. Though destinations often are said to offer something for everyone, the Miami area does indeed offer multiple enticements for everyone.
