International Conference on
Lifestyle Diseases & Management

Lifestyle Diseases 2019

March 27-28, 2019 | Paris, France

INVITATION

Lifestyle Diseases 2019

Meetings International proudly announces the **International Conference on Lifestyle Diseases & Management** scheduled during **March 27-28, 2019 at Paris, France.** The conference emphasizes the theme "**Live with the Right Style, Have a Good Lifestyle**".

Meetings International This conference on Lifestyle Diseases and Management gives a chance to scientists, medical practitioners, research scholars and students to interact and share their knowledge and experience in different lifestyle diseases. It also provides a global opportunity to the people from both academia and industry to interact for a noble cause of bringing about a change in the society by exchanging their ideas and putting forth the causes and solutions to the effects of lifestyle diseases on a wide number of people worldwide. This conference aims at discussing the role of lifestyle in causing different chronic diseases which can be otherwise prevented by taking adequate measures.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

ABOUT PARIS

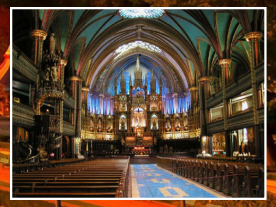

Paris, the 'City of Art and Lights' attracts around 23.6 million visitors a year who witness its eye catching beauty, besides providing a global platform for business. Paris marks striking monuments and architecture, such as its Arc de Triomphe, Eiffel Tower along with the neo-classic Haussmannian boulevards and buildings as well as museums, operas and concert halls. The city is a symbol of French culture and its modern attraction such as Disneyland Paris is a must visit place. So, Meetings Int. invites you to attend this conference in the beautiful city of Paris and wish that you have a fruitful and successful meeting, relish your stay and leave Paris with unforgettable fond memories.
