Tourist Attractions

Paris is the capital of France and is a major European city and a global center for art, fashion, gastronomy and culture.

Gracing the banks of the Seine River, Paris has a way of romancing visitors with its elegant beauty and magical ambience. This incomparable city is filled with grandiose monuments like the Eiffel Tower, Notre-Dame, and the Champs-Elysees Boulevard. Yet the charm of Paris lies in the small details: the quaint cobblestone streets, prettily trimmed trees, perfectly puffed pastries, dainty tea salons, Belle Epoque brasseries, and avant-garde art galleries. From stylish boutiques to exquisite cuisine, **Paris is synonymous with the finer things in life**. The city celebrates its cultural heritage by assiduously maintaining its historic landmarks, formal French gardens, and world-class art collections. Wander the distinctive neighbourhoods to discover the Medieval Latin Quarter, the legendary cafe scene in Saint-Germain-de-Pres, and the Bohemian atmosphere of Montmartre. In every hidden corner and at all the famous sites, Paris casts a spell of enchantment. One visit may inspire a lifelong love affair.
