International Conference on Material Chemistry & Science

Material Chemistry & Science 2019

March 18-19, 2019 | Singapore City, Singapore

INVITATION

Material Chemistry & Science 2019

Meetings International proudly announces the **Material Chemistry & Science** scheduled during **March 18-19, 2019** at **Singapore City, Singapore.** The conference emphasizes the theme "**Exploring New Materials For New Technologies**".

Meetings International provides an international dais for scientists and animal health science professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of Material Chemistry and Science has come into spotlight in the recent years. The main objective of Material Chemistry & Science is to study explore in the chemistry of materials for development of new materials in order to attain sustainability in materials.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

Important Dates

Early Bird: **November 30, 2018**

Registration Open: **July 01, 2018**

Abstract Submission Open: **July 01, 2018**

On Spot Registration: **March 18, 2019**

CONFERENCE HIGHLIGHTS

- Material Chemistry and Development
- Materials in Industry and Information Technology
- Material Characterization
- Defence and Aerospace materials
- Energy Materials
- Computational Material Chemistry
- and Science
- Biomaterials
- Imaging of Materials
- Nanomaterials
- Future scope of Materials
- Ceramic and Composite Materials
- Technologies in Material Chemistry

Meetings Int. offers

An unique platform for top level research and innovation

ABOUT SINGAPORE

Material Chemistry & Science 2019

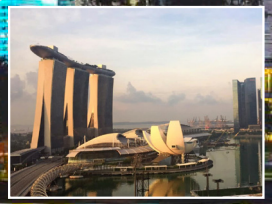

Singapore ranks 5th on UN Human Development Index with 3rd highest GDP per capita globally. Tourism forms a massive part of economy with over 17 million visitors visiting the city in 2017. It is an worldwide core for finance, business, arts, culture and it is recognized as one of the most multicultural cities in the world.

The Material Research Society in Singapore was framed in 1999 as non-profit organization to assist rapidly in emerging materials in Singapore, Asia and further afield. which is affiliated with the International Union of Materials Research Societies.
