Invitation

Dear Attendees

Meetings International proudly announces the ***International conference on material science and engineering*** scheduled during December 08-09, 2021, at Dubai, UAE.

The conference emphasizes the theme "***MATERIALS SCIENCE AND ENGINEERING AS A MULTIDISCIPLINE***".

Materials Science and Engineering Conference 2019 was one of the most successful conferences in the past and now we again give you people the opportunity to be a part of this conference and share your knowledge cordially, contributing towards the success of the conference in 2019. So, we delightfully invite you to joins us again for Material Science 2021 and share your knowledge and experience on our global platform. It is a study of application of material manufacture or construction. The knowledge domain field of materials science additionally termed materials science and engineering, is that the style and discovery of latest materials, significantly solids.

Sincerely,

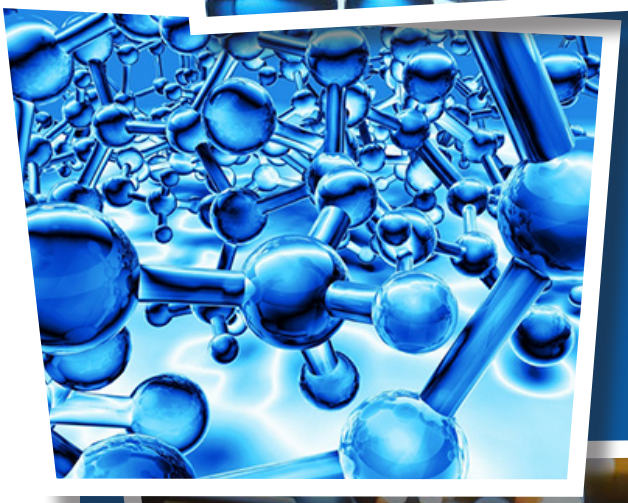

Operating Committee

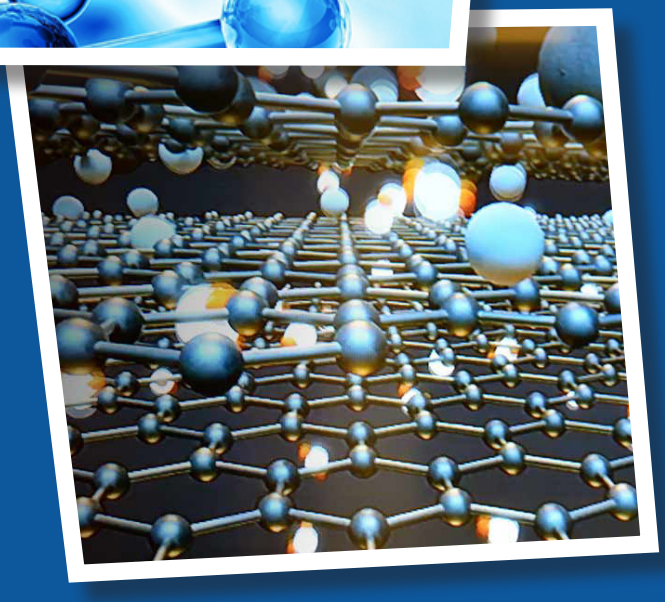

MATERIALSCIENCE-2021

Conference Highlights

- Computational materials science
- Nano technology in material science
- Hybrid polymer-based materials
- Smart biomaterials
- Piezoelectric materials
- Emerging Smart Materials
- Energy materials
- Material physics and material chemistry
- Ceramics and composite materials
- Graphene and 2D Materials
- Applications in material science and engineering

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Dubai Attractions

Explore Dubai

Dubai is the most crowded city in the United Arab Emirates (UAE) and the capital of the Emirate of Dubai. Located on the southeast shore of the Persian Gulf, Dubai is a worldwide city and the business center point of the Middle East. It is likewise a significant worldwide vehicle center for travelers and freight. Oil income quickened the advancement of the city, which was at that point a significant trade center point. Today, under 5% of the emirate's income originates from oil. An inside for territorial and worldwide exchange since the mid twentieth century, Dubai's economy depends on incomes from exchange, the travel industry, flight, land, and monetary assistance. Dubai is thought to have been set up as an angling town in the mid eighteenth century and was, by 1822, a town of some 700–800 individuals from the Bani Yas clan and subject to the standard of Sheik Tahnun container Shakhbut of Abu Dhabi. In 1833, after ancestral fighting, individuals from the Al Bu Falasah clan withdrew from Abu Dhabi and built up themselves in Dubai. The departure from Abu Dhabi was driven by Obeid receptacle Saeed and Maktoum container Butti, who became joint pioneers of Dubai until Ubaid kicked the bucket in 1836, leaving Maktum to set up the Maktoum dynasty.Dubai marked the General Maritime Treaty of 1820 alongside other Trucial States, following the British correctional campaign against Ras Al Khaimah of 1819, which likewise prompted the assault of the beach front networks of the Persian Gulf. This prompted the 1853 Perpetual Maritime Truce.
