15TH INTERNATIONAL CONFERENCE ON

MATERIALS CHEMISTRY & SCIENCE

APRIL 22-23, 2020 | SINGAPORE CITY, SINGAPORE

Materials chemistry 2020

Invitation

Dear Attendees,

Meetings International proudly announces the 15th International Conference on Materials chemistry & Science scheduled during April 22-23, 2020 in Singapore City, Singapore. The conference emphasizes the theme "ADVANCING EXCELLENCE IN MATERIAL CHEMISTRY".

Materials chemistry 2020 is an excellent platform for professionals and who are working in the field. This is going to be the largest and most promising international conference where Material Science professionals and decision-makers will come to discuss various aspects. Materials chemistry Congress offers a platform to globalize the invention by introducing among scholastic associations and learning exchange from research to medical science. Meetings International has been associated with national and international associations, corporations and high-level individuals, dedicated to hosting world-class conferences and events. Meetings Int. supports broad scope research and peer review at a broad range of specialists around the world.

Sincerely,

Operating Committee

Explore Singapore City

Singapore, an island city-state off southern Malaysia, is a global financial center with a tropical climate and multicultural population. Its colonial core centers on the Padang, a cricket field since the 1830s and now flanked by grand buildings such as City Hall, with its 18 Corinthian columns. In Singapore's circa-1820 Chinatown stands the red-and-gold Buddha Tooth Relic Temple, said to house one of Buddha's teeth.
