Materials Science & Engineering 2021

Exchange of Latest Technological Advances in the field of Materials Science

Dec 02-03, 2021 Amsterdam, Netherlands

Who Should Attend

Materials Scientists | Materials Engineers | Researchers of Materials Science | Nanotechnology | Polymer Science | Directors of Chemical Companies|Aerospace Engineers | Members of Materials Science Associations

Dear Colleague:

We are glad to announce **22nd Edition of International Conference on Materials Science & Engineering** scheduled on **Dec 02-03, 2021at Amsterdam, Netherlands** organized by EuroSciCon. The theme adopted is **"Exchange of Latest Technological Advances in the field of Materials Science".** In addition to the presentations, the EuroSciCon Physical Conference provides an invaluable networking opportunity with peers and thought leaders globally. We've worked with our planning committee to develop a program that is credible, balanced, and relevant to clinical practice.

Conference Highlights :

- Materials Science and Engineering
- Electrical, Optical and Magnetic Materials
- Ceramics and Composite Materials
- Crystalline Porous Materials
- Nanotechnology in Materials Science
- Metallurgy and Materials Science
- Emerging Smart materials and technologies
- Materials in Industry
- Biomaterials and Tissue Engineering
- Particular and Fiber Composites
- Advanced Engineering Materials
- Surface Engineering
- Particular and Fiber Composites
- Energy materials
- Nanostructured Materials
- Piezoelectric materials
- Polymeric materials and Electro chromic materials
- 3D Printing and technologies
- Additive Manufacturing
- Computational modeling of materials
- Market Demand and Future of Advanced Materials

Why Attend the Annual Congress?

EuroSciCon is dedicated to present quality research prepared by experts' in their equivalent arenas to realm life science in globally.

- We are always embolden the participants to Share their subject expertise and their in-depth knowledge towards the science societies.
- We offer them full access to entire event and other related amenities.
- We are facilitating speakers, delegates & participants by accommodating them in finest hotels at the conference venue, with an effortless boarding and lodging experience & optimum Cuisines that adds to the unforgettable flavoured memories of the participants.
- We have constantly considered the registration sum paid by the speakers and representatives. Distinguished with different coordinators around the world we charge a small sum to be a part of Annual Congress.
