About Paris, France

France is one of Europe's largest countries. It is bordered by six countries other nations: Germany, Belgium and Luxembourg to the northeast, Switzerland and Italy to the southeast and Spain to the southwest. The United Kingdom borders France via the English Channel. The country is considered to be the gateway to Europe as there are several large international airports (two of these can be found in Paris), ferry terminals and the French rail service.

France is the most popular tourist destination in the world. There are many reasons why so many people enjoy visiting the diverse country, including the natural beauty, the amazing climate, outdoor recreational activities such as golf courses, art museums and galleries and so much more. There are many different activities that outline the history of the country which are enjoyable to visitors, especially considering its turbulent past.
