Materials Research Conference
2018

INTERNATIONAL CONFERENCE ON

MATERIALS RESEACH AND DEVELOPMENT

October 29-30, 2018 | Prague, Czech Republic

https://www.meetingsint.com/conferences/materials

Invitation

Meetings International proudly announces the ***International Conference on "Materials Research And Development"*** scheduled during ***October 29-30, 2018*** in ***Prague, Czech Republic***. The conference emphasizes the theme "***Accelerating novel research in materials science***".

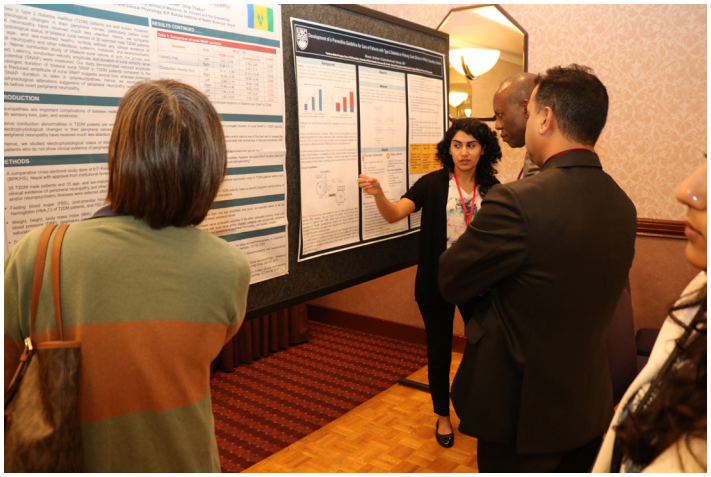

Meetings International provides an international dais for scientists and material professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of materials have come into spotlight in the recent years. To make the product from the roe material by utilizing the technology. Thus, priorities are given for the material research to produce more production to support the ever-growing population of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

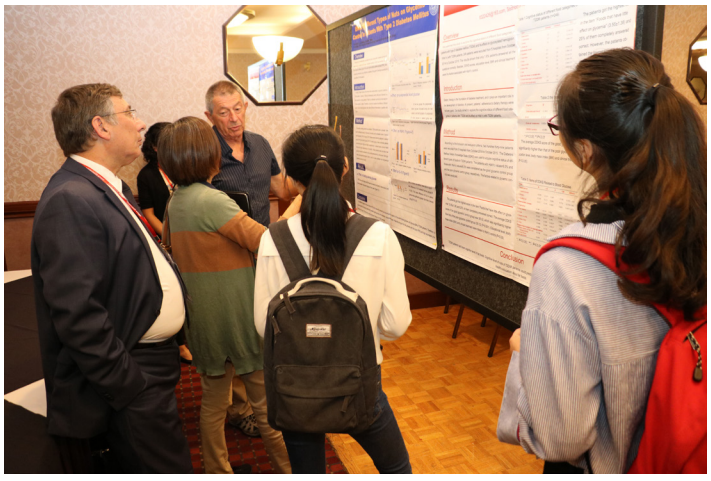

Materials Research conference 2018

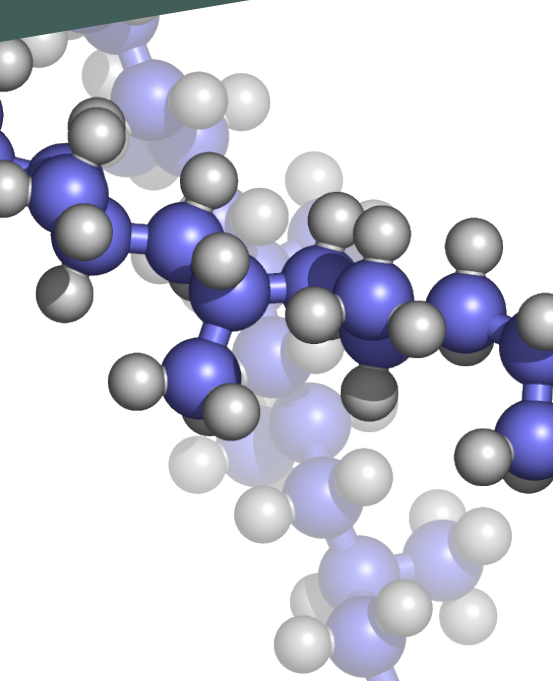

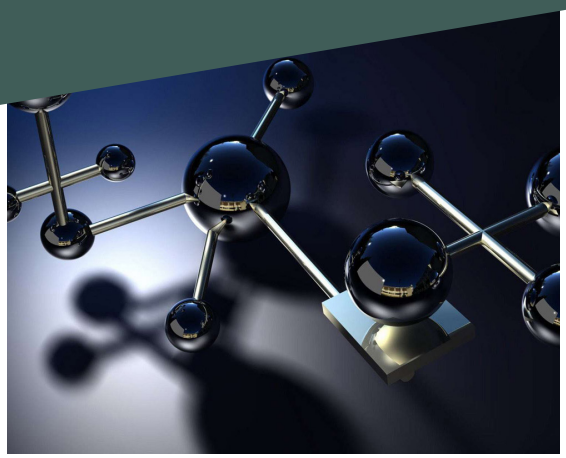

Conference Highlights

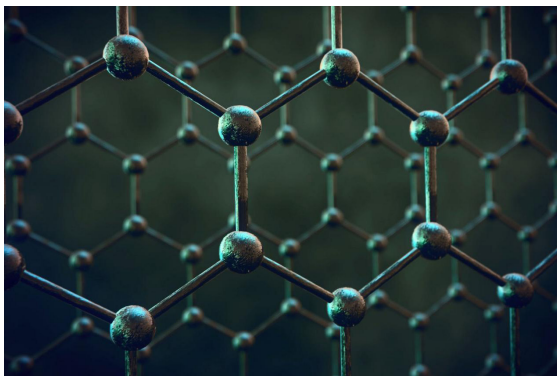

- Materials science and Development
- Future of materials
- Entrepreneur's investment
- Mining, metallurgy and materials science
- Material chemistry and physics
- Electronic and magnetic materials
- Materials characterization
- Materials for energy conversion and storage devices
- Material engineer training and career
- Batteries and energy materials
- Nanotechnology in material science
- Metallurgical and materials transaction

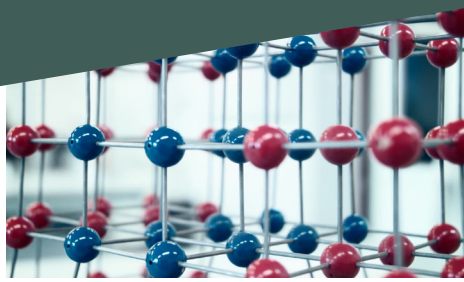

Meetings Int. offers

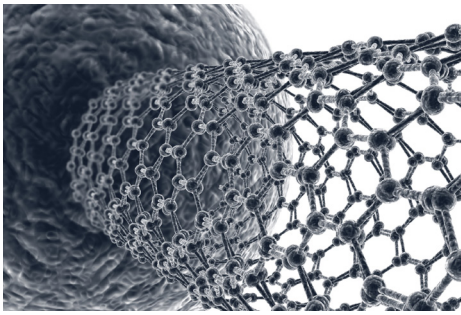

An unique platform for top level research and innovation

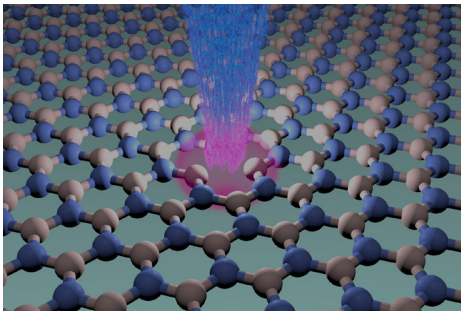

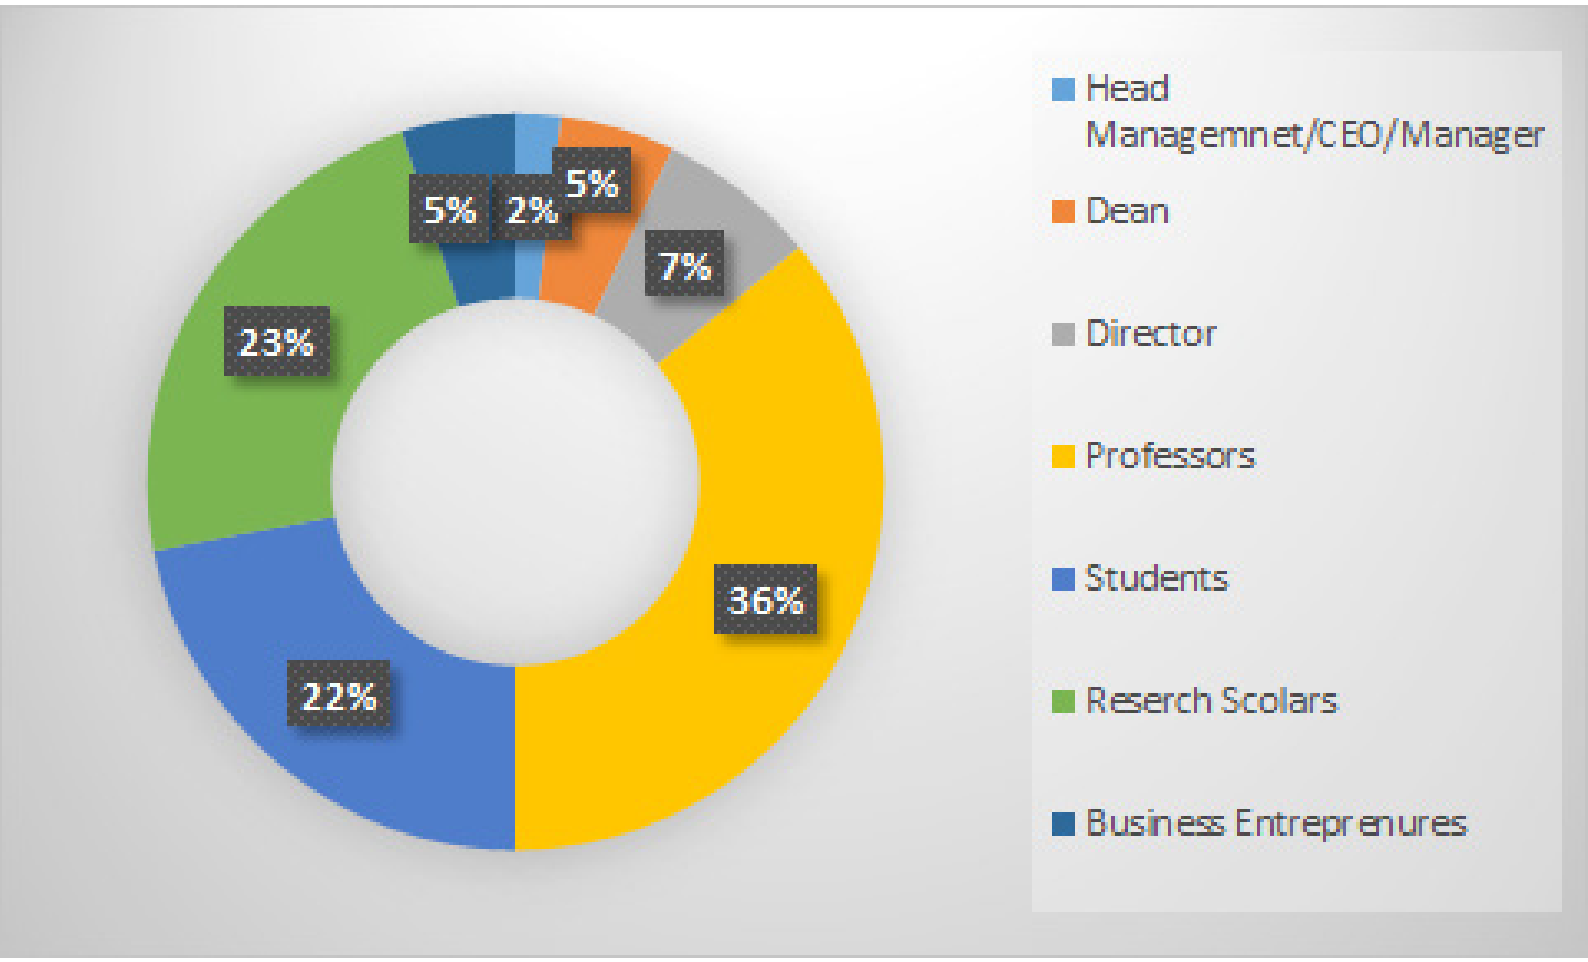

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Prague

Prague is also called as the Czech Republic's largest city and also the capital. The huge Vltava River plays a main role on central Europe's politics, culture and economy. The beautiful Charles Bridge enhances beauty of the river banks, well-known for its classic moments. It is for the remarkable view sit offers for the city. This place also be the good weather conditions, as well as the marketing facilities are fabulous. The city has more than ten museums, theatres, cinemas, galleries and historical exhibits .At the same time the weather also friendly . So this is a marvellous chance for to attend the conference and enjoy the Czech river bank. Come on, hurry up to attend the symposium and for the tourism of the Prague with your family.
