4TH INTERNATIONAL CONFERENCE ON

MATERIALS SCIENCE AND ENGINEERING

Materials science 2019

March 18-19, 2019 | Amsterdam, Netherlands

INVITATION

Materials science 2019

Meetings International proudly announces the **4th International Conference on Materials Science and Engineering** scheduled during **March 18-19, 2019 at Amsterdam, Netherlands..** The conference emphasizes the theme "**Technological Advances On Materials Research In Achievement Of A Sustainable Economic Society.**".

Meetings International provides an international dais for scientists and Materials Researchers professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of Materials Science has come into spotlight in the recent years. The main objective of materials science and engineering is to study and know about the materials and share knowledge of materials science and engineering in this era and use them for better future.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

Important Dates

Early Bird: **November 30, 2018**

Registration Open: **September 01, 2018**

Abstract Submission Open: **September 01, 2018**

On Spot Registration: **March 18, 2019**

CONFERENCE HIGHLIGHTS

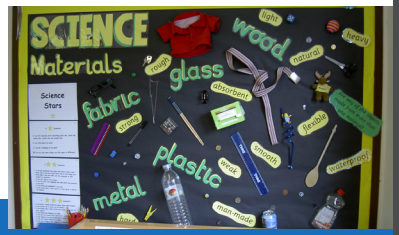

- Metallurgy
- Graphene and 2D Materials
- Anotechnology in Materials Science
- Polymer Science and Engineering
- Emerging Smart Materials
- Biomaterials and Healthcare
- Advanced Materials and Devices
- Energy Materials
- Characterization and Testing of Materials
- Ceramics and Composite Materials
- Materials in Industry
- Materials Chemistry

Materials science 2019

Meetings Int. offers

An unique platform for top level research and innovation

Amsterdam
Netherlands

https://www.meetingsint.com/conferences/materialscience

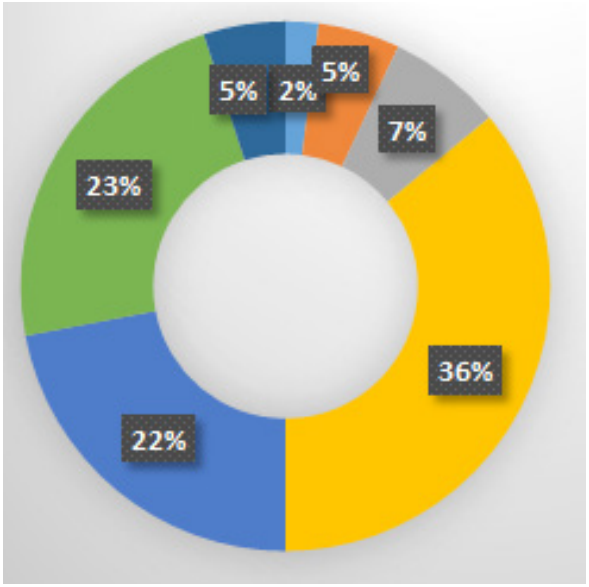

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication

- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scholars
- Business Enterprenures
