19TH WORLD CONGRESS ON

MATERIALS CHEMISTRY

NOVEMBER 23-24,2020 | SINGAPORE CITY, SINGAPORE

Material Chemistry
2020

Invitation

Material Chemistry 2020

Dear Attendees,

Meetings International proudly announces the 19th World Congress on Material Chemistry scheduled during November 23-24, 2020 in Singapore City, Singapore. The conference emphasizes the theme 'Advanced Technologies in Material Chemistry'.

The purpose of this conference is to provide an international technical forum to showcase recent advances in Material chemistry, Material Science Material Chemistry and systems have created a tremendous interest in many application fields, including life sciences, Point of care diagnostics, and environmental applications. The conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Material Chemistry and its development. There is an extensive international perspective at this conference with speakers, poster presenters, sponsors, and exhibitors from Europe, US, and Asia/Pacific.

Sincerely,

Operating Committee

Conference Highlights

Material Chemistry 2020

- Analytical Techniques and Instrumentation
- Nanomaterial's and Nanotechnology
- Characterization and Testing of Materials
- Materials Science and Engineering
- Ceramics and Magnetic Materials
- Science and Technology of Advanced Materials
- Earth and material science
- Polymer Science and Engineering
- Material Science in Construction Engineering
- Ceramics and Composite Materials

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Singapore

Singapore is abundantly coordinates with each air and water making it the main media transmission center in the Asiatic locale. Its geostrategic job makes it more noteworthy conceivable to the worldwide market blocks resulting fast advance for the financial condition. Singapore, an island city-state off southern Malaysia, is a world monetary center main focus with a tropical climate and multicultural masses. Changi International Airport is just a little ways from the city. As a littler city, it is helpful to movement round Singapore. Lodgings, diners, scenes, shopping, and voyaging spots are beneficially grouped in unmistakable neighborhoods, such Marina Bay, Orchard Road, Changi, etc and are easily open by methods for methods for Singapore's secured and strong open transportation structure.
