Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

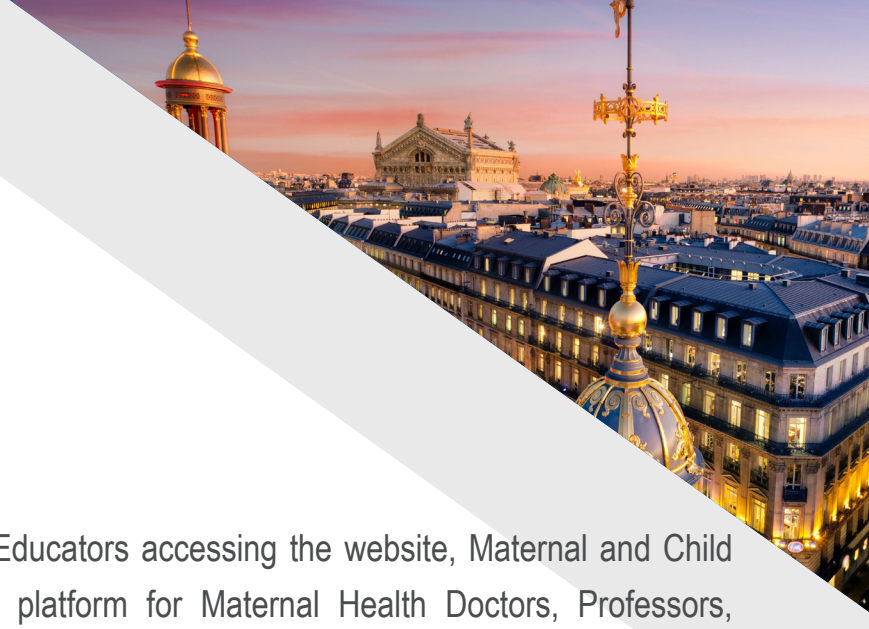

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ professionals and Educators accessing the website, Maternal and Child Health 2019 is the most lucrative platform for Maternal Health Doctors, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Maternal and Child Health 2019 Sailent Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

About Destination Paris

Paris, the world's most popular city destination, has plenty of must-see places but make sure you spend at least a day strolling off the beaten path, as this is the only way to discover the real Paris: a lively cosmopolitan but undeniably French city.

The city is known for its cafe culture and designer boutiques along the Rue du Faubourg Saint-Honoré. Paris is the city of love, inspiration, art and fashion. It has a population of more than 2million people and is divided into 20 districts. Paris has a lot of interesting architecture and museums to offer; among them the famous tourist place to visit is the Eiffel Tower. A significant number of the acclaimed roads and city building areas structures where changed by Haussmann and Napoleon III (Charles Louis Napoleon Bonaparte). The lanes where made much wider, places and squares where fabricated and the structures totally modified. Paris has a nickname called "La Ville-Lumiere. The famous places to visit in Paris are Notre Dame Cathedral which is Roman Catholic Cathedral situated in the eastern half of the city, Louvre Museum which is located at the heart of Paris , Champs Elysees which is a Arc of Triumph, Montmartre which is a hill located at the north of Paris and its height is 130 metre, it is best known White Domed Basilica of the sacred heart at the top, Quartier Latin which is called the famous private garden located on the left bank of the seine around the Sorbonne, Disneyland Paris which is located 32 km from central Paris , it has two theme parks –Disneyland and Walt Disney studios.
