Invitation

Mech 2020

Dear Attendees,

Meetings International proudly announces the Annual Conference on mechatronics, Systems Engineering and Automation scheduled duringDecember14-15,2020, Dubai, UAE. The conference emphasizes the theme "In automation and robotics enduring inclinations and leading edge development ".

The purpose of this conference is to provide an international technical forum to showcaserecent advances in Microfluidics, BioMEMS, and Medical microsystems. Microfluidic devices and systems have created a tremendous interest in many application fields, including life sciences, Point of care diagnostics, and environmental applications. The conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Microfluidics and its development. There is an extensive international perspective at this conference with speakers, poster presenters, sponsors, and exhibitors from Europe, US, and Asia/Pacific.

Sincerely,

Operating Committee
