ABOUT SINGAPORE

Medical Imaging 2019

Singapore, officially The Republic of Singapore, is a sovereign city-state and island country in Southeast Asia. Singapore is a global commerce, finance and transport hub. Its standings include: the most “technology-ready” nation (WEF), top International-meetings city (UIA), city with “best investment potential” (BERI), third-most competitive country, third-largest foreign exchange market, third-largest financial centre, third-largest oil refining and trading centre and the second-busiest container port. The country has also been identified as a tax haven. Singapore is ranked highly in education, healthcare, life expectancy, quality of life, personal safety and housing. Although income inequality is high, 90% of homes are owner-occupied.
