ABOUT DUBAI

The Emirate of Dubai is the seven United Arab Emirates but has the biggest population at over 2.1 million inhabitants. It is located on the southeast coast of the Persian Gulf and is the capital of Emirate of Dubai. Dubai oil revenue was first started to flow in 1969. It provides help to accelerate the better development of the city, but limited numbers of reserves are present and also low production levels today, and nearly 5% of the emirate's revenue comes from oil. Dubai was recently named as the best destination for travelers. It continuously builds the first, largest and the biggest constructions in the world. Dubai's dynamics are always changing with construct something better and bigger and new than the older one.
